### **SC Workers' Compensation Commission Adopts the IAIABC Claims EDI Release 3 Standard for the Electronic Transfer of FROI and SROI Information**

The SC Workers' Compensation Commission (SCWCC) has adopted the International Association of Industrial Accidents Boards and Commissions (IAIABC) Claims EDI Release 3.0 standard for the voluntary electronic transfer of Subsequent Report of Injury (SROI) information in place of the SCWCC Form 18 Semi Annual Reporting as of March 2, 2015. SCWCC implemented the mandatory submission for First Report of Injury (FROI) in place of the SCWCC Form 12A as of January 1, 2014. The new SROI process will allow electronic submission and improve the claims adjudication process and maintain industry standards in data reporting.

Informal Conference (IC) requests will not be accepted electronically by SROI. Requests for ICs must be submitted on a Form 18 by [email](#), US Postal Service or delivered to the Commission.

For more information and documentation click [here](#).

If you have any questions or concerns regarding the implementation and approval for SROI SA transmissions, please contact [wccit@wcc.sc.gov](mailto:wccit@wcc.sc.gov).
